

# LANKA MISSION MESSENGER

## (June Update)

---

*Dear friends,*

Our first worship service, by the grace of God, went well. We had a house warming on the 2nd of June, and there were 30 people over for it. It was a really nice meeting. We had a short prayer meeting on that day and invited those present for the worship service on the Sunday as well. Most of those present were family and friends, but two local families also attended.

On Sunday morning our family members and some friends who had stayed with us over night wanted a morning service. We had around 20 people present; two visitors from Trinco church were also in attendance. The Trinco visitors introduced some of their relatives to me and one family promised to come to the evening service, but they did not turn up (yet).

We had the evening service at 4.30pm. Some friends from the Reformed Baptist church in Baticalowa attended. There were 12 to 15 people present and it was a very blessed meeting.

Thanks for your prayers.
